Upgraded Wine Selections

Pick from a curated list of our favorite wine or ask about a particular bottle you enjoy. Wine must be purchased by the case and the price will depend on the wine chosen.

Additional Fees

The following items **must be purchased** through Funky's Catering Events and will be added to your total invoice: Specialty Linens, Specialty Lighting, Upgraded Rentals & Optional Valet Parking. Fees will reflect specific items selected by the client.

Ceremony: \$1,500 flat fee includes chair set up and flip of ceremony space, ceremony coordination team, use of the The Vestry, The Registrar & The North Tap Room for 1-hour cocktail reception during flip and coordination of wedding party introductions. If the ceremony is off site, the separate bar spaces can be rented for cocktail hour.

Ceremony rehearsals may be held at The Transept based on space availability. There is no additional charge for the rehearsal space, however, it cannot be guaranteed until 30 days prior to the event date. Should space not be available, your Ceremony Lead will travel to a location of your choosing (within the I-275 loop) to conduct your rehearsal.

Event production fee: A 12% event production fee will be added to all line items, excluding rent.

Audio/Visual: All AV equipment must be coordinated through your sales manager, and there are additional fees that will be added to your Funky's Catering Events invoice if the projector is needed. An AV technician is required on-site to rent any equipment that is built in to The Transept. Fees are determined by overall needs and commiserate with the equipment used/rented and the technician's time on-site. Prestige AV may be brought in for anything beyond basic set up and needs.

FAQs

Can I tour The Transept?

Yes! All tours are private and by appointment only. Please contact us at 513.841.9999 to set up your tour.

Can you hold my date?

In order to be fair to all potential clients, we are unable to hold dates. It is very easy to book an event at The Transept, though. Simply return your signed contract with your deposit and the date is yours!

What is the deposit?

Deposits vary based on the type of event you are hosting.

Is there enough parking for my guests?

There are approximately 1500 parking spaces within a 4 block radius of The Transept. If you are interested, we can assist with securing valet services for you. Ask your Event Designer for more information.

Can you accommodate my ceremony?

Yes! There are a couple of options within The Transept depending on the size of your group. The ceremony fee is not included in the facility rental.

Do you provide catering?

The Transept is a venue brought to you exclusively by Funky's Catering Events. We are a fully custom caterer that can create and customize any menu to suit your tastes or event theme - we can even prepare a meal from your own recipes! All food & beverages will come from Funky's, with the exception of wedding cakes/cupcakes and favor items.

Why do you charge an event production fee?

Many things go into producing an event. The event production fee is not a gratuity, but an additional charge to cover certain costs associated with each event. These costs include:

(1) Funky's Event Designer dedicated to assisting the client with event day timing, design, sourcing specialty products, creating floor plans and selected vendor management, (2) All equipment used in the presentation of the food such as chafers, chafers fuel, trays, bowls, platters and serving tools, etc., (3) Administrative costs such as appointments including initial & subsequent design meetings, final details meeting, private tasting, scheduling, ordering, paperwork, banking and any possible credit card fees (if applicable), (4) Indirect personnel costs such as warehouse and facility maintenance staff and décor set up/strike teams that work behind the scenes on every event, but are not included in the staffing/labor fees, (5) Management of rental equipment and assisting with non-catering related elements of a party, wedding or event. Because we act as a subcontractor and coordinator for all rentals, the production fee will also be applied to any rentals for your event, (6) Liability insurance to cover any damages or injuries caused by our staff or our equipment to any guests or property (this relieves the client of liability or responsibility when an accident is our fault) as well as vehicle insurance and fuel costs.

Is gratuity included with the catering costs?

It is the philosophy of Funky's Catering Events that gratuity is earned, it is never expected. Therefore, you will never see an automatic gratuity added to your invoice. If you would like to add a gratuity to your final payment, our staff would be most grateful, but this is always at your discretion.
